
John Tegg For Sheriff

I have listened to them all and John Tegg is who we need. A man of honor and principles who really cares for us at Orange County. That should be evidenced by how he has stayed in contact with many of us, not because of his political aspirations but because he is a genuinely nice guy. Demmings is looking for another feather in his cap. Just talk to any OPD officer and they can tell you how it will be if he becomes Sheriff. if we don't get behind John, PBA will undoubtedly choose to back the "YES Man" who gives them all of the right answers.

Think long and hard about this one folks. Look at all of them and decide who really wants to help us and who wants to help themselves.

JOHN TEGG FOR SHERIFF!!!!!!
